Subject: Response to Citizen Requests to Appear (Katherine Gill)

Milton Road is a North Carolina Department of Transportation (NCDOT) owned and maintained road that lies partially within the City limits and continues outside of the City limits within Durham County (approximately 4000 linear feet out of 13,000 linear feet of Milton Road are within the City limits).

Contact has been made with Ms. Gill to discuss her request to appear before the City Council, and it is her intent to make a presentation to the City Council to seek funding and/or support from the Council to construct a sidewalk along Milton Road. Ms. Gill was informed of the limitations of the City to construct new sidewalks due to funding limitations, the inability of the City to construct new sidewalks outside of the City limits and the need to contact the NCDOT about the construction of a sidewalk outside of the City limits.

Ms. Gill intends to make a presentation to the City Council to make them aware of the need for a sidewalk along Milton Road, to seek funding for the construction of sidewalk along Milton Road within the City limits and to gain their support for the construction of a sidewalk along Milton Road by the NCDOT outside of the City limits.
